

Product Features

- A slim profile design with options to complement different architectural styles and fixing situations.
- Ideal for Pool Fencing and external or internal Balustrades.
- Manufactured from long life 2205 Duplex Stainless to withstand coastal conditions.
- Available in Polished and Satin finishes.
- Cover plates conceal the fixings and provide a smart finish.
- MP12, MP13, MP14 and MP15 suit 12mm to 17.52mm glass thickness and feature a patented tilt lock which allows the simplest adjustment of any minipost available.
- MP10 has a fixed clamping plate with oval base and suits 12mm toughened safety glass only.
